

Congratulations!

confirms that

IS-IS Facility Services

is one of Stonehealth's Rosette Approved Contractors.
This means we will refer your company for DOFF cleaning jobs whenever we
are asked to provide a list of contractors in your area.

Operators should have their ID cards with them at all times, to show to site
personnel if and when requested. If you do not have your ID card, you can present
this certificate or ask them to confirm with Rosette status with Stonehealth.

Expiry: 14th October 2026
